(e) Notwithstanding any other provision of this Ordinance, Book-Entry-Only Bonds held by DTC shall be paid in accordance with **Section 3.3(f)**.

(f) The Bonds shall all be initially issued as Book-Entry-Only Bonds and shall be subject to the following provisions:

(1) Except as otherwise provided in **Sections 3.3(f)(3)** and **(4)**, the registered owner of all of the Bonds shall initially be Cede & Co., as nominee for DTC. Payment of semiannual interest for any Bond registered as of each record date in the name of Cede & Co. shall be made by wire transfer of New York clearinghouse or equivalent next-day funds to the account of Cede & Co. on the Interest Payment Date for the Bonds at the address indicated on the record date for Cede & Co. in the registry books of the City kept by the Registrar.

(2) The Bonds shall be initially issued in the form of separate single authenticated fully registered Bonds in the amount of each separate stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the registry books of the City kept by the Registrar in the name of Cede & Co., as nominee of DTC. The Registrar and the City may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or Redemption Price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Owners, registering the transfer of Bonds, obtaining any consent or other action to be taken by Owners and for all other purposes whatsoever, and neither the Registrar nor the City shall be affected by any notice to the contrary. Neither the Registrar nor the City shall have any

responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the registration books of the Registrar as being a Owner, with respect to the accuracy of any records maintained by DTC or any Participant, the payment by DTC or any Participant of any amount in respect of the principal or Redemption Price of or interest on the Bonds; any notice which is permitted or required to be given to Owners; the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds; or any consent given or other action taken by DTC as Owner. The Registrar shall pay all of the principal of or Redemption Price and interest on the Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to the principal of or Redemption Price and interest on the Bonds to the extent of the sum or sums so paid. Except under the conditions of **Sections 3.3(f)(3) and (4)**, no person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the City to make payments of principal of or Redemption Price and interest pursuant hereto. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to record dates, the term "Cede & Co." herein shall refer to such new nominee of DTC.

(3) If DTC gives notice to the City or the Registrar pursuant to its representation letter that it will discontinue providing its services as securities depository with respect to the Bonds, the City shall either appoint a successor securities depository or terminate the book-entry system for the Bonds.

(A) Any successor securities depository must be a clearing agency registered with the Securities and Exchange Commission pursuant to Section 17A of the Securities Exchange Act of 1934 and must enter into an agreement with the City and the Registrar agreeing to act as the depository and clearing agency for all the Bonds. After such agreement has become effective, DTC shall present the Bonds for registration of transfer and the Registrar shall register them in the name of the successor securities depository or its nominee. If a successor securities depository has not accepted such position prior to the effective date of DTC's termination of its services, the book-entry system shall automatically terminate and may not be reinstated without the consent of all the registered Owners of the Bonds.

(B) If the City elects to terminate the book-entry system for the Bonds, it shall so notify the Registrar in writing received by the Registrar not less than thirty (30) days in advance of such date of termination, which date shall be stated in such notice. Not less than ten (10) days in advance of such termination date the City shall provide the Registrar with such number of blank bond certificates as the City and the Registrar shall mutually agree upon. From and after such termination date, upon presentation of the Bonds, or any of them, by DTC or its nominee to the Registrar for registration of transfer, the Registrar shall register the transfer and all provisions of **Section 3.3(f)** shall immediately cease to be in effect.

(4) The City may elect to terminate the book-entry system for the Bonds at any time by giving written notice to DTC and the Registrar. On the effective date of such termination, the provisions of this **Section 3.3(f)** shall cease to be in effect, except that the Registrar shall continue to comply with applicable provisions of the representation letter with respect to Bonds as to which DTC remains the registered Owner. After such termination, the Registrar shall, upon presentation of

Bonds by DTC or its nominee for registration of transfer or exchange, make such transfer or exchange.

(5) Upon the appointment of a successor securities depository or termination of the book-entry system, the Registrar shall give notice of such event to the registered Owners of Bonds (through DTC) and (A) of the name and address of the successor securities depository or (B) that Bonds may now be obtained by the Beneficial Owners, or their nominees, upon proper instructions being given to DTC by the relevant Participant and compliance by DTC with the provisions hereof regarding registration of transfers.

(6) Notwithstanding any other provision hereof to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC (or any successor nominee), all payments with respect to the principal or Redemption Price of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, to DTC as provided in the representation letter.

(7) In connection with any notice or other communication to be provided to Owners, the City or the Registrar, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than 30 calendar days in advance of such record date to the extent possible.

(8) Bonds issued upon transfer or exchange of Bonds shall be dated as of the date of original issue or the Interest Payment Date six months preceding the Interest Payment Date next following the date of registration thereof in the office of the Registrar, as shall be appropriate, unless such date of registration shall be an Interest Payment Date, in which case they shall be dated as of such date of registration; provided, however, that if, as shown by the records of the Registrar, interest on the Bonds shall be in default, the Bonds issued in lieu of Bonds surrendered for transfer or exchange may be dated as of the date to which interest has been paid in full on the Bonds surrendered; and provided further, that if the date of registration shall be prior to the first interest payment date, the Bonds shall be dated as of their date of original issue. The Bonds shall bear interest from their date of original issue.

(9) When any of the Bonds shall have been duly called for redemption and payment thereof duly made or provided for, interest thereon shall cease from and after the date specified for the redemption thereof.

(10) The Bonds, registration provisions, form of authentication and form of assignment pertaining thereto shall be substantially in the forms set forth below with such changes as may be determined by the Finance Director and such other necessary or appropriate variations, omissions and insertions as are incidental to numbering, denominations, interest rate or rates, registration provisions, redemption provisions and other details thereof or as are otherwise permitted or required by law or this Ordinance.

(11) The net proceeds derived by the City from issuance and sale of the Bonds shall be applied by the Finance Director to (A) the payment of the costs of the Project, (B) paying the interest accruing and falling due on the Bonds through and including November 1, 2008, (C) the payment of the costs of issuance of the Bonds, and (D) for such other purposes related to the Project and the City Improvements as the Finance Director may direct.

Section 3.4. Authentication of Bonds. Only such Bonds as shall have endorsed thereon a certificate of authentication duly executed by the Registrar shall be entitled to any benefit or security under this Ordinance. No Bonds shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed by the Registrar, and such certificate of the Registrar upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Ordinance. The Registrar's certificate of authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time.

Section 3.5. Exchange of Bonds. Bonds, upon surrender thereof at the principal office of the Registrar, together with an assignment duly executed by the Owner or his attorney or legal representative in such form as shall be satisfactory to the Registrar, may, at the option of the Owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series and maturity, of any denomination or denominations authorized by this Ordinance and bearing interest at the same rate, and in the same form as the Bonds surrendered for exchange.

The City shall make provision for the exchange of the Bonds at the principal office of the Registrar.

Section 3.6. Negotiability, Registration and Transfer of Bonds. The Registrar is hereby appointed as Registrar for the Bonds and as such shall keep books for the registration and registration of transfer of Bonds as provided in this Ordinance. The transfer of any Bond may be registered only upon the books kept for the registration and registration of transfer of Bonds upon surrender thereof to the Registrar, together with an assignment duly executed by the Owner or his attorney or legal representative in such form as shall be satisfactory to the Registrar. Upon any such registration of transfer the City shall execute and the Registrar shall authenticate and deliver in exchange for such Bond a new Bond or Bonds, registered in the name of the transferee, of any denomination or denominations authorized by this Ordinance in an aggregate principal amount equal to the principal amount of such Bond surrendered or exchanged, of the same Series and maturity and bearing interest at the same rate.

In all cases in which Bonds shall be exchanged or the transfer of Bonds shall be registered hereunder, the City shall execute and the Registrar shall authenticate and deliver at the earliest practicable time Bonds in accordance with the provisions of this Ordinance. All Bonds surrendered in any such exchange or registration of transfer shall forthwith be canceled by the Registrar. Neither the City nor the Registrar shall make a charge for the first such exchange or registration of transfer of any Bond for each Owner. The City or the Registrar, or both, may make a charge for shipping, printing and out-of-pocket costs for every subsequent exchange or registration of transfer of any Bond sufficient to reimburse it or them for any and all costs required to be paid with respect to such exchange or registration of transfer. Neither the City nor the Registrar shall be required to make any such exchange or registration of transfer of Bonds during the period between the relevant Record Date and the Interest Payment Date or, in the case of any proposed redemption of Bonds, after notice of the redemption of such Bonds or any portion thereof shall have been given pursuant to Article IV.

Section 3.7. Ownership of Bonds. As to any Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of and interest on such Bond and the interest on any such Bond shall be made only to or upon the order of the Owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

Section 3.8. Disposition and Destruction of Bonds. All Bonds surrendered to the Registrar for payment shall be canceled upon such payment by the Registrar and, upon written request of the Finance Director, shall be destroyed.

Section 3.9. CUSIP Identification Numbers. At the sole option of the Finance Director, CUSIP identification numbers may be printed on the Bonds, but no such number shall be deemed to be a part of any Bond or a part of the contract evidenced thereby, and no liability shall attach to the City or any officer or agent thereof (including without limitation the Registrar) because of or on account of such CUSIP identification numbers or any use made thereof.

Section 3.10. Registrar. (a) Wells Fargo Bank, National Association is hereby appointed as Registrar with respect to the Bonds. The Registrar shall serve in its capacities under the terms of an agreement entitled "Bond Registrar and Paying Agent Agreement" (the "**Registrar's Agreement**") between the City and the Registrar in substantially the form of **Exhibit A** attached hereto and made a part hereof. The Finance Director is hereby authorized to execute the Registrar's Agreement. If the Registrar shall merge or consolidate with another entity and the resulting entity is a bank or trust company authorized by law to conduct such business, such resulting entity shall serve as Registrar. The City reserves the right to remove the Registrar upon 30 days' notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Bonds in its possession to the successor Registrar and shall deliver the Bond register to the successor Registrar. The Registrar shall have only such duties and obligations as are expressly stated herein and in the Registrar's Agreement and no other duties or obligations shall be implied to the Registrar.

(b) The Registrar shall keep and maintain for the City books for the registration and transfer of the Bonds at its designated office. The names and registered addresses of the registered owner(s) of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the designated office by surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Registrar, on behalf of the City, will deliver at such offices (or send by registered mail to the transferee owner(s) thereof at such transferee owner's or owners' risk and expense), registered in the name of the transferee owner(s), a new Bond or Bonds of the same interest rate, aggregate principal amount and maturity, bearing numbers not contemporaneously then outstanding. To the extent of the denominations authorized for the Bonds by this Resolution, one Bond may be transferred for several such bonds of the same interest rate and maturity and for a like aggregate principal amount, and several Bonds may be transferred for one or several bonds, respectively, of the same interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bonds shall be canceled and destroyed. The Registrar may impose a charge sufficient to defray all costs and expenses incident to registrations of transfer and exchange. In each case, the Registrar shall require the payment by the registered owner requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer. Bonds issued upon transfer or exchange of Bonds shall be dated as of the date six months preceding the Interest Payment Date next following the date of registration thereof in the offices of the Registrar, unless such date of registration shall be an Interest Payment Date, in which case they shall be dated as of such date of registration; provided, however, that if, as shown by the records of the Registrar, interest on the Bonds shall be in default, the Bonds issued in lieu of Bonds surrendered for transfer or exchange may be dated as of the date to which interest has been paid in full on the Bonds surrendered; and provided further, that if the date of registration shall be prior to the first Interest Payment Date, the Bonds shall be dated the date of original issue. All bonds issued upon transfer of the Bonds so surrendered shall be valid obligations of the City, evidencing the same obligations as the Bonds surrendered and shall be entitled to all the benefits and protection of this Resolution to the same extent as

the Bonds upon transfer of which they were delivered. The City and the Registrar shall not be required to transfer any Bond during any period from any Record Date until the immediately following Interest Payment Date or to transfer any Bond called for redemption for a period of 30 days next preceding the date fixed for redemption.

(c) The Registrar shall also be responsible for making the payments of principal and interest on the Bonds as the same become due from funds transferred to it by the City for such purpose, which transfers are hereby authorized without further action or order of the City. Payments of interest due upon the Bonds shall be made by the Registrar by mailing a check in the amount due for such interest on each Interest Payment Date to the registered owner of each Bond addressed to such owner's registered address as of the Record Date as shown on the books of registration required to be maintained pursuant to this section. Payments of principal due at maturity or upon redemption prior to maturity shall be made by the Registrar upon presentation and surrender of such Bond at the designated office of the Registrar. The City and the Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payment thereon and for all other purposes. All payments on account of principal or interest made to the registered owner of any Bond shall be valid and effectual and shall be a discharge of the City and the Registrar in respect of the liability upon such Bond or claims for interest to the extent of the sum or sums so paid. Notwithstanding the foregoing, Bonds issued in book-entry form shall be paid in accordance with **Section 3.3**.

ARTICLE IV

REDEMPTION OF BONDS

Section 4.1. Redemption of Bonds. At the option of the City, the Bonds may be made subject to redemption, both in whole and in part and at such times and Redemption Prices, as determined by the Finance Director in accordance with the provisions of **Section 3.3(d)**.

Section 4.2. Redemption at the Direction of the City. In the case of any redemption of any Bonds at the direction of the City, the Finance Director will select the maturities and principal amounts of the Bonds to be redeemed and the Finance Director shall give written notice to the Registrar specifying the redemption date and the maturities and amounts to be redeemed, and directing the Registrar to give notice of redemption to the Owners of Bonds selected for redemption. The City shall give such notice at least 15 business days (or such shorter period as may be agreed to by the Registrar) before the last day on which the Registrar may give notice of redemption to the Owners of the Bonds.

Section 4.3. Redemption Otherwise than at the City's Direction. Whenever the Registrar is required or authorized to redeem Bonds otherwise than at the direction of the City, the Registrar shall, subject to receipt of any notice from the City pursuant to **Section 4.4**, select the Bonds to be redeemed and shall give the notice of redemption.

Section 4.4. Selection of Bonds to be Redeemed. If less than all Bonds are to be redeemed, the maturities of Bonds to be redeemed may be selected by the City. The City shall give written notice of its selection not later than 15 business days (or such shorter period as may be agreed to by the Registrar) before the last day on which the Registrar may give notice of redemption to the Owners of the Bonds of that Series. If the City does not give notice of its selection, the Registrar shall select the Bonds to be redeemed in inverse order of maturity. If less than all of the Bonds of like maturity are to be redeemed, the particular Bonds or portions of Bonds to be redeemed shall be selected at random by the Registrar in such manner as the Registrar in its discretion may deem fair and appropriate.

Section 4.5. Notice of Redemption. Each notice of redemption of Bonds shall be mailed by first class mail by the Registrar, not less than 30 days prior to the redemption date, to each Owner whose Bonds are called for redemption. Each notice of redemption shall state the distinguishing designation of the Series of Bonds to which such notice relates, the date of issue of such Series of Bonds, the redemption date, the Redemption Price, the place or places of redemption (including the name and appropriate address or addresses of the Registrar), the CUSIP number (if any) of the maturity or maturities, and, if less than all of any such maturity, the distinctive certificate numbers of the Bonds of such maturity to be redeemed and, in the case of Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Each such notice shall also state that on said date there will become due and payable on each of such Bonds, the Redemption Price thereof or of such specified portion of the principal amount thereof in the case of a Bond to be redeemed in part only, together with interest accrued thereon to the date fixed for redemption, and that from and after such redemption date, interest thereon shall cease to accrue, and shall require that such Bonds be then surrendered at the address or addresses of the Registrar specified in the redemption notice. Neither the City nor the Registrar shall have any responsibility for any defect in the CUSIP number that appears on any Bond or in any redemption notice with respect thereto, and any such redemption notice may contain a statement to the effect that CUSIP numbers have been assigned by an independent service for convenience of reference and that neither the City nor the Registrar shall be liable for any inaccuracy in such numbers.

Failure of any Owner to receive notice or any defect in any such notice shall not affect the sufficiency of the proceedings for redemption.

Section 4.6. Payment of Redeemed Bonds. Notice having been given in the manner provided in **Section 4.5**, the Bonds, or portions thereof so called for redemption, shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender thereof at the office specified in such notice, such Bonds, or portions thereof, shall be paid at the Redemption Price, plus interest accrued and unpaid to the redemption date. If there shall be drawn for redemption a portion of a Bond, the City shall execute, and the Registrar shall authenticate and deliver, upon the surrender of such Bond, without charge to the Owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, a Bond of like Series and maturity in any authorized denomination. If, on the redemption date, money for the redemption of all the Bonds or portions thereof of any like Series and maturity to be redeemed, together with interest to the redemption date, shall be available therefor on such date and if notice of redemption shall have been given as provided, then, from and after the redemption date interest on the Bonds or portion thereof of such Series and maturity so called for redemption shall cease to accrue and become payable. If such money shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

Section 4.7. Cancellation of Redeemed Bonds. All Bonds surrendered or redeemed pursuant to the provisions of this Article shall be canceled.

ARTICLE V

REFUNDING BONDS

Section 5.1. Refunding Bonds. Refunding Bonds may be issued at any time by the Finance Director for the purpose of refunding (including by purchase) at any time any Bond or Bonds, including

amounts to pay principal and interest to the date of maturity or redemption (or purchase) and the expenses of issuing the Refunding Bonds and of effecting such refunding.

ARTICLE VI

CREATION OF FUNDS AND ACCOUNTS; PAYMENTS THEREFROM; INVESTMENT OF MONEY

Section 6.1. Creation of Funds. There are hereby created and established by the City two special trust funds called, respectively, (a) the “Verizon Wireless Redevelopment Project Tax Allocation Construction Fund” (the “**Construction Fund**”), and (b) the “Verizon Wireless Redevelopment Project Tax Allocation Special Fund” (the “**Special Fund**”), which funds shall be held by the Finance Director of the City separate and apart from all other funds and money of the City under his control.

There are hereby created and established in the Special Fund the following special trust accounts: (a) a Debt Service Account, (b) a Redemption Account, (c) an Improvements Account, and (d) a Surplus Account.

So long as any of the Bonds, or any interest thereon, remain unpaid, the money in the foregoing funds and accounts shall be used for no purpose other than those required or permitted by this Ordinance, any ordinance supplemental to or amendatory of this Ordinance and the Redevelopment Law.

Section 6.2. Construction Fund. Proceeds from sale of the Bonds shall be deposited in the Construction Fund in accordance with the provisions of **Section 6.5(c)** and shall be applied solely in payment of costs and expenses incident to the Project, including the cost of any lawful purpose in connection with any other of the City Improvements, any costs of construction and acquisition with respect to the Project incurred by the City prior to the adoption of the Ordinance, and the necessary expenses in connection with the issuance and sale of the Bonds.

If any balance remains in the Construction Fund after the full accomplishment of the Project and such other purposes for which the Bonds were issued, such balance shall be transferred to the Special Fund and applied as is other money in that fund.

Section 6.3. Tax Revenues. As provided for in the Redevelopment Plan, and pursuant to the provisions of the Redevelopment Law, for the period contemplated thereby, the Tax Revenues shall be allocated to and, when collected, paid into the Special Fund to pay the principal and interest due in connection with the Bonds. When the Bonds, including interest and all other indebtedness and costs of construction incurred by the City in connection with the City Improvements, including, but not limited to, the Project, have been paid, the Tax Revenues shall be applied as provided for in the Redevelopment Law.

The Tax Revenues are hereby allocated and pledged in their entirety to the payment of the principal and interest on the Bonds and to the payment of the costs of the City Improvements (including the Project) as provided herein, and until all of the Bonds and all interest thereon and all costs of construction incurred by the City in connection with the City Improvements, including the Project, have been paid (or until money for that purpose have been irrevocably set aside), the Tax Revenues shall be applied solely to the payment of the Bonds and the interest thereon and all costs of construction incurred by the City in connection with the City Improvements, including the Project, as provided herein. Such allocation and pledge is and shall be for the sole and exclusive benefit of the Owners of the Bonds and shall be irrevocable.

The City covenants and agrees that if, at any time, the Tax Revenues consisting of (a) those tax revenues referred to in the last sentence of the first paragraph of Section 12 of Article VIII of the Constitution of the State and in Section 18-2147 Reissue Revised Statutes of Nebraska, as amended, and (b) all payments made in lieu thereof are insufficient to pay the principal of and interest on the Bonds as and when the same shall become due, the City shall, in addition to all other taxes, levy and collect such taxes pursuant to the provisions of Section 18-2107(11) of the Redevelopment Law at such times and in such amounts as shall be necessary to pay in full the principal of and interest on the Bonds, when and as the same shall become due.

In accordance with the provisions of Section 18-2150 of the Redevelopment Law, a copy of this **Section 6.3** shall be certified by the Clerk and filed by the Clerk with the Assessor and with the Treasurer.

Section 6.4. Special Fund. All Tax Revenues and Project Revenues shall be deposited in the Special Fund. The Tax Revenues and Project Revenues accumulated in the Special Fund shall be used in the following priority; provided, however, that to the extent of credits made to any of the accounts referred to below from the proceeds of the sale of the Bonds or otherwise, the credits so provided for below need not be made:

(a) **Debt Service Account.** Credits shall be made into the Debt Service Account so that the balance in such Account prior to the date of the payment of any installment of Debt Service on the Bonds shall be equal to the amount of Debt Service due at such installment payment date. Money in the Debt Service Account shall be used solely for the payment of Debt Service on the Bonds as the same become due, and, after such payment, the Account shall be restored by further deposits to the required balance. Any amounts representing interest capitalized from the proceeds of Bonds shall also be deposited in the Special Fund for credit to the Debt Service Account.

(b) **Improvements Account.** All of the Project Revenues and all of the Tax Revenues on hand on the date of issue, sale and delivery of the initial Series of Bonds issued hereunder shall be credited to the Improvements Account and applied by the City in the following order of priority: (1) to pay the costs of the City Improvements, including, but not limited to, the 2007 Project, and (2) to pay the costs incurred in connection with other public improvements within the Project Area.

(c) **Surplus Account.** After the credits required by **Sections 6.4(a)** and **(b)** have been made so that the required amounts as of that time are in the above mentioned accounts, credits shall next be made into the Surplus Account. If the Tax Revenues to be received for the next Fiscal Year by the City, based upon the most recent assessed valuation of taxable property of the Project furnished by the Assessor, are at least equal to the Debt Service due in the next Fiscal Year, then any money in the Surplus Account in any Fiscal Year after making the transfers required by **Sections 6.4(a)** and **(b)** shall be used and applied by the City, and in the order of priority stated, to (1) pay the costs of the City Improvements, including, but not limited, to the Project, (2) purchase and/or call and redeem Bonds, or (3) pay the costs incurred in connection with providing other public improvements within the Redevelopment Area.

(d) **Redemption Account.** On or prior to the date of redemption of the Bonds, the Finance Director shall deposit in the Redemption Account money allocated for the purpose and in amounts sufficient to redeem the Bonds to be redeemed on such date. Such money shall be deposited in the Redemption Account solely for that purpose and shall be applied on or after the redemption date to the payment of the Redemption Price of the Bonds to be redeemed upon presentation and surrender of such Bonds. Any interest due on or prior to the redemption date shall be paid from the Special Fund.

Section 6.5. Application of Proceeds. Upon receipt of the proceeds of the Bonds, such proceeds shall be applied as follows:

(a) Accrued interest, if any, received upon the issuance of the Bonds shall be deposited into the Debt Service Account of the Special Fund and used to pay interest falling due on the Bonds on the first Interest Payment Date.

(b) The remaining proceeds of the Bonds shall be deposited into the Construction Fund established pursuant to this Ordinance and shall be applied solely in payment of costs and expenses incident to the City Improvements, including, but not limited to, the Project, including the cost of any lawful purpose in connection with the City Improvements, any costs of construction and acquisition with respect to the City Improvements incurred by the City prior to the adoption of this Ordinance, and necessary expenses in connection with the issuance and sale of the Bonds.

Section 6.6. Investment of Money in Funds and Accounts. Money in the Construction Fund and in the Debt Service Account in the Special Fund shall, to the fullest extent practicable and reasonable, be invested and reinvested by the Finance Director, to the extent allowed by law solely in, and obligations deposited in such fund and accounts shall be, Authorized Investments which shall mature or be subject to redemption at the option of the holder thereof on or before the respective dates when the money in such fund and account will be required for the purposes intended.

Authorized Investments purchased as an investment of money in the Construction Fund or any of the accounts in the Special Fund shall be deemed at all times to be a part of such fund or account and the interest accruing thereon and any gain realized from such investment shall be credited to such fund or account and any loss resulting from any such authorized investment shall be charged to such fund or account without liability to the City or the officials thereof; provided, however, that any investment earnings on money or Authorized Investments held in any of the accounts in the Special Fund shall be deposited, during the period of construction of the City Improvements, into the Construction Fund, and provided further that any such investment earnings, after the completion of construction of the City Improvements, shall be deposited in the Debt Service Account and used to pay the principal of and interest on the Bonds as the same shall become due. The Finance Director shall sell at the best price obtainable or present for redemption any obligation so purchased whenever it shall be necessary to do so in order to provide money to meet any payment or transfer from a fund or account as required by this Ordinance.

For the purpose of determining at any given time the balance in any fund or account, the value of Authorized Investments shall be the lower of the amortized cost or the bid quotation price thereof as determined annually; provided, however, that if any of such obligations shall be due and payable within one year, the amortized cost of such obligations shall be their value regardless of the bid quotation price.

Whenever reference is made to sums or money in a particular fund or account, or words of similar import are used, such reference shall include, without limitation, investments in said fund or account.

ARTICLE VII

COVENANTS OF THE CITY

As long as Bonds are outstanding and unpaid, the City will (through its proper officers, agents or employees) faithfully perform and abide by all of the covenants, undertakings and provisions contained in

this Ordinance or in the Bonds, including the following covenants and agreements for the benefit of the Owners which are necessary, convenient and desirable to secure the Bonds and will tend to make them more marketable; provided, however, that said covenants do not require the City to expend any funds other than the Tax Revenues nor violate the provisions of State law with respect to tax revenue allocation.

Section 7.1. Complete Project; Amendment to Redevelopment Plan. The City covenants and agrees that it will diligently carry out and continue to completion, with all practicable dispatch, the Project in accordance with the Redevelopment Law and the Redevelopment Plan and in a sound and economical manner, subject, however, to the conditions set forth in the foregoing document and law. The Redevelopment Plan, including the definition of the Redevelopment Area and the Project Area, may be amended as provided in the Redevelopment Law, but no amendment shall be made absent an opinion of counsel of recognized standing in the field of law relating to municipal bonds that such amendment does not deprive any Owner in any material respect of the security afforded by the Bonds or this Ordinance.

Section 7.2. Use of Proceeds; Management and Operation of Properties. The City covenants and agrees that the proceeds of the sale of the Bonds will be deposited and used as provided in this Ordinance and that it will cause all properties owned by it and comprising any part of the Project to be managed and operated in a sound and businesslike manner.

Section 7.3. No Priority. The City covenants and agrees that it will not issue any obligations the principal of or interest on which is payable from the Tax Revenues which have, or purport to have, any lien upon the Tax Revenues prior or superior to or in parity with the lien of the Bonds and the interest thereon; provided, however, that nothing in this Ordinance shall prevent the City from issuing and selling bonds or other obligations which have, or purport to have, any lien upon the Tax Revenues which is junior to the outstanding Bonds and the Debt Service thereon, or from issuing and selling bonds or other obligations which are payable in whole or in part from sources other than the Tax Revenues.

Section 7.4. To Pay Principal or Redemption Price of and Interest on Bonds. The City will duly and punctually pay or cause to be paid solely from the Tax Revenues and the other money which are pledged herein to the payment thereof, the principal of and interest and premium on each and every Bond on the dates and at the places and in the manner provided in the Bonds according to the true intent and meaning thereof and hereof, and will faithfully do and perform and fully observe and keep any and all covenants, undertakings, stipulations and provisions contained in the Bonds and in this Ordinance.

Section 7.5. Books of Account; Financial Statements. The City covenants and agrees that it will at all times keep, or cause to be kept, proper and current books of account (separate from all other records and accounts) in which complete and accurate entries shall be made of all transactions relating to the Project, the Project Revenues, the Tax Revenues and other funds relating to the Project. Within 180 days after the close of each Fiscal Year, the City shall cause such books of account to be audited by an independent certified public accountant, which audit may be part of the annual audit of the accounts of the City. The audit report shall show in reasonable detail the income and expenses for such Fiscal Year relating to the Project, including the transactions relating to the Special Fund, the Construction Fund, and the Redemption Account, and a copy of the audit report shall be made available to any Owner upon written request. Each such audit report shall state therein that the auditor has examined and is familiar with the provisions of this Ordinance relating to the matters set forth above, and that as to such matters the City is in compliance therewith or, if not in compliance therewith, the details of such failure to comply and the action to be taken by the City to be in compliance therewith.

Section 7.6. Eminent Domain Proceeds. The City covenants and agrees that should all or any part of the City Improvements be taken by eminent domain proceedings or other proceedings authorized by law

for any public or other use under which the property will be exempt from ad valorem taxation, the net proceeds realized by the City therefrom shall constitute Project Revenues and will be deposited in the Improvements Account in the Special Fund and used and applied in the manner specified in **Section 6.4(c)**.

Section 7.7. Protection of Security. The City is duly authorized under all applicable laws to create and issue the Bonds and to adopt this Ordinance and to pledge the Tax Revenues, the Project Revenues and other money, securities and funds under this Ordinance in the manner and to the extent provided in this Ordinance. The Tax Revenues, the Project Revenues and other money, securities and funds so pledged are and will be free and clear of any pledge, lien, charge, security interest or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge created by this Ordinance, except as otherwise expressly provided herein, and all corporate action on the part of the City to that end has been duly and validly taken. The Bonds and the provisions of this Ordinance are and will be valid obligations of the City in accordance with their terms and the terms of this Ordinance. The City shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of and security interest granted with respect to the Tax Revenues, the Project Revenues and other money, securities and funds pledged under this Ordinance and all the rights of the Owners under this Ordinance against all claims and demands of all persons whomsoever.

Section 7.8. Extension of Payment of Bonds. The City will not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any interest thereon or claims for interest by the purchase or funding of such Bonds, interest thereon or claims for interest or by any other arrangement; and in case the maturity of any of the Bonds or the time for payment of any such interest thereon or claims for interest shall be extended, such Bonds, interest thereon or claims for interest shall not be entitled in case of any default under this Ordinance to the benefit of this Ordinance or to any payment of any assets of the City or the funds held by the City, except subject to the prior payment of the principal of all Bonds the maturity of which has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extended interest thereon or claims for interest. Nothing herein shall be deemed to limit the right of the City to issue Refunding Bonds as provided in this Ordinance and such issuance shall not be deemed to constitute an extension of maturity of Bonds.

Section 7.9. Continuing Disclosure. The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Ordinance, failure of the City to comply with the Continuing Disclosure Certificate shall not be considered an event of default hereunder; however, any Participating Underwriter or any Beneficial Owner or any other owner of a Bond may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City to comply with its obligations under this **Section 7.9**.

ARTICLE VIII

AMENDING AND SUPPLEMENTING OF ORDINANCE

Section 8.1. Amending and Supplementing of Ordinance Without Consent of Owners of Bonds. The City, from time to time and at any time and without the consent or concurrence of any Owner of any Bond, may adopt an ordinance amendatory hereof or supplemental hereto if the provisions of such supplemental ordinance shall not materially adversely affect the rights of the Owners of the Bonds then outstanding, for any one or more of the following purposes:

(a) To make any changes or corrections in this Ordinance as to which the City shall have been advised by counsel that the same are verbal corrections or changes or are required for the purpose of curing or correcting any ambiguity or defective or inconsistent provision or omission or mistake or manifest error contained in this Ordinance, or to insert in this Ordinance such provisions clarifying matters or questions arising under this Ordinance as are necessary or desirable;

(b) To add additional covenants and agreements of the City for the purpose of further securing payment of the Bonds;

(c) To surrender any right, power or privilege reserved to or conferred upon the City by the terms of this Ordinance;

(d) To confirm as further assurance any lien, pledge or charge, or the subjection to any lien, pledge or charge, created or to be created by the provisions of this Ordinance; and

(e) To grant to or confer upon the Owners of the Bonds any additional rights, remedies, powers, authority or security that lawfully may be granted to or conferred upon them.

The City shall not adopt any supplemental ordinance authorized by the foregoing provisions of this **Section 8.1** unless in the opinion of counsel the adoption of such supplemental ordinance is permitted by the foregoing provisions of this **Section 8.1** and the provisions of such supplemental ordinance do not materially and adversely affect the rights of the Owners of the Bonds then outstanding.

Section 8.2. Amendment of Ordinance with Consent of Owners of Bonds. With the consent of the Owners of not less than a majority in principal amount of the Bonds then outstanding, the City from time to time and at any time may adopt an ordinance amendatory hereof or supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Ordinance, or modifying or amending the rights and obligations of the City under this Ordinance, or modifying or amending in any manner the rights of the Owners of the Bonds then outstanding; provided, however, that, without the specific consent of the Owner of each such Bond which would be affected thereby, no supplemental ordinance amending or supplementing the provisions hereof shall: (a) change the fixed maturity date for the payment of interest thereon or the terms of the redemption thereof, or reduce the principal amount of any Bond or the rate of interest thereon or the Redemption Price payable upon the redemption or prepayment thereof; (b) reduce the percentage of Bonds, the Owners of which are required to consent to any supplemental ordinance amending or supplementing the provisions of this Ordinance; (c) give to any Bond or Bonds any preference over any other Bond or Bonds secured hereby; (d) authorize the creation of any pledge of the Tax Revenues and other money and securities pledged hereunder, prior, superior or equal to the pledge of and lien and charge thereon created herein for the payment of the Bonds except to the extent provided in **Articles III** and **V**; or (e) deprive any Owner of the Bonds in any material respect of the security afforded by this Ordinance. Nothing in this paragraph contained, however, shall be construed as making necessary the approval of the Owners of the Bonds of the adoption of any supplemental ordinance authorized by the provisions of **Section 8.1**.

It shall not be necessary that the consents of the Owners of the Bonds approve the particular form of wording of the proposed amendment or supplement or of the proposed supplemental ordinance effecting such amendment or supplement, but it shall be sufficient if such consents approve the substance of the proposed amendment or supplement. After the Owners of the required percentage of Bonds shall have filed their consents to the amending or supplementing hereof pursuant to this Section, the City may adopt such supplemental ordinance.

Section 8.3. Effectiveness of Supplemental Ordinance. Upon the adoption (pursuant to this Article and applicable law) by the City of any supplemental ordinance amending or supplementing the provisions of this Ordinance or upon such later date as may be specified in such supplemental ordinance, (a) this Ordinance and the Bonds shall be modified and amended in accordance with such supplemental ordinance, (b) the respective rights, limitations of rights, obligations, duties and immunities under this Ordinance and the Owner of the Bonds shall thereafter be determined, exercised and enforced under this Ordinance subject in all respects to such modifications and amendments, and (c) all of the terms and conditions of any such supplemental ordinance shall be a part of the terms and conditions of the Bonds and of this Ordinance for any and all purposes.

This bond has been issued by the City for the purpose of financing the cost of acquisition and construction of certain public improvements within its Verizon Wireless Redevelopment Project more specifically described in the Ordinance, and to carry out the City's corporate purposes and powers in connection therewith.

Reference is hereby made to the Ordinance for the provisions, among others, with respect to the issuance of additional tax allocation bonds on a parity with prior series of bonds issued thereunder, including this bond, the custody and application of the proceeds of bonds issued under this Ordinance, the collection and disposition of certain tax and other revenues, the special funds charged with and pledged to the payment of the interest and redemption premium, if any, on and the principal of the bonds issued under and secured by this Ordinance, the nature and extent of the security thereby created, the terms and conditions under which bonds are or may be issued, the rights and remedies of the registered owners of the bonds, and the rights, duties, immunities and obligations of the City. By the acceptance of this bond, the Registered Owner assents to all of the provisions of this Ordinance.

This bond is a special limited obligation of the City payable as to principal and interest solely from and is secured solely by the Tax Revenues (as defined in the Ordinance) and certain other money, funds and securities pledged under the Ordinance, all on the terms and conditions set forth in the Ordinance. The Tax Revenues represent that portion of ad valorem taxes levied by public bodies of the State of Nebraska, including the City, on real property constituting a part of the Project (as defined in this Ordinance) which are in excess of that portion of such ad valorem taxes produced by the levy at the rate fixed each year by or for each such public body upon the valuation of the Project as of a certain date and as has been certified by the County Assessor of Lancaster County, Nebraska to the City in accordance with law.

The principal of and interest hereon shall not be payable from the general funds of the City nor shall this bond constitute a legal or equitable pledge, charge, lien, security interest or encumbrance upon any of the property or upon any of the income, receipts, or money and securities of the City or of any other party other than those specifically pledged under the Ordinance. This bond is not a debt of the City within the meaning of any constitutional, statutory or charter limitation upon the creation of general obligation indebtedness of the City, and does not impose any general liability upon the City and the City shall not be liable for the payment hereof out of any funds of the City other than the Tax Revenues (as defined in the Ordinance), which Tax Revenues have been and hereby are pledged to the punctual payment of the principal of and interest on this bond in accordance with the provisions of this Ordinance.

Reference is hereby made to the Ordinance, a copy of which is on file in the office of the City Clerk, and to all of the provisions of which each owner of this bond by its acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for this bond; the Tax Revenues and other money and securities pledged to the payment of the principal of and interest on this bond; the nature and extent and manner of enforcement of the pledge; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the owner of this bond; the rights, duties and obligations of the City and the Registrar thereunder; the terms and provisions upon which the liens, pledges, charges, trusts and covenants made therein may be discharged at or prior to the maturity or redemption of this bond, and this bond thereafter no longer be secured by the Ordinance or be deemed to be outstanding thereunder, if money or certain specified securities shall have been deposited with the Registrar sufficient and held in trust solely for the payment hereof; and for the other terms and provisions thereof.

The bonds of the series of bonds of which this bond is one are subject to redemption prior to maturity, at the option of the City, on or after _____, 20__, in whole at any time or in part from time to time in inverse order of maturity and by lot within a maturity, at the Redemption Price equal to the stated principal amount thereof, together with the interest accrued thereon to the date of redemption thereof, but without redemption premium.

In the event this bond is called for prior redemption, notice of such redemption shall be given by first-class mail to the Registered Owner hereof at its address as shown on the registration books maintained by the Registrar not less than 30 days prior to the date fixed for redemption. If this bond shall have been duly called for redemption and notice of such redemption duly given as provided, then upon such redemption date this bond shall become due and payable and if money for the payment of this bond at the then applicable Redemption Price or together with the then applicable redemption premium, if any, and the interest accrued on the principal amount hereof to the date of redemption shall be held for the purpose of such payment by the Registrar, interest shall cease to accrue and become payable hereon from and after the redemption date.

This bond is transferable by the Registered Owner in person or by its attorney duly authorized in writing at the principal office of the Registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in this Ordinance and upon surrender and cancellation of this bond. Upon such transfer, a new bond or bonds of the same series and of the same maturity, of authorized denomination or denominations and for the same aggregate principal amount, will be issued to the transferee in exchange therefor. The City and the Registrar may deem and treat the Registered Owner as the absolute owner for the purpose of receiving payment of or on account of principal and premium, if any, hereon and interest due hereon and for all other purposes.

The bonds of this series are issuable only as fully registered bonds without coupons in denominations of \$5,000 or any integral multiple thereof not exceeding the principal amount maturing in any one year. As provided in this Ordinance and subject to certain limitations therein set forth, the bonds of this series are exchangeable for a like aggregate principal amount of bonds of this series of a different authorized denomination, as requested by the Registered Owner or its duly authorized attorney upon surrender thereof to the Registrar.

It is hereby certified, recited and declared that all acts, conditions and things required to have happened, to exist and to have been performed precedent to and in the issuance of this bond have happened, do exist and have been performed in regular and due time, form and manner; that this bond does not exceed any constitutional or statutory or charter limitation on indebtedness; and that provision has been made for the payment of the principal of and interest on this bond as provided in this Ordinance.

IN WITNESS WHEREOF, the City has caused this bond to be signed by the manual or facsimile signature of its Mayor and to be registered in the office of its Finance Director by and with the manual or facsimile signature of such Finance Director, and this bond to be dated as of the Date of Original Issue specified above.

DEFEASANCE; MONEY HELD FOR PAYMENT OF DEFEASED BONDS

Section 10.1. Discharge of Liens and Pledges; Bonds No Longer Outstanding Hereunder. The obligations of the City under this Ordinance, including any ordinances, resolutions or other proceedings supplemental hereto, and the liens, pledges, charges, trusts, assignments, covenants and agreements of the City herein or therein made or provided for, shall be fully discharged and satisfied as to any Bond and such Bond shall no longer be deemed to be outstanding hereunder and thereunder,

(a) when such Bond shall have been canceled, or shall have been surrendered for cancellation or is subject to cancellation, or shall have been purchased from money in any of the funds held under this Ordinance, or

(b) as to any Bond not canceled or surrendered for cancellation or subject to cancellation or so purchased, when payment of the principal or Redemption Price of such Bond, plus interest on such principal to the due date thereof (whether such due date be by reason of maturity or upon redemption or prepayment, or otherwise), either (1) shall have been made or caused to be made in accordance with the terms thereof, or (2) shall have been provided by irrevocably depositing with the Registrar for such Bond, in trust and irrevocably set aside exclusively for such payment, (A) money sufficient to make such payment or (B) Escrow Obligations maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient money to make such payment, and all necessary and proper fees, compensation and expenses of the Registrar shall have been paid or the payment thereof provided for to the satisfaction of the Registrar.

Provided that, with respect to Bonds called or to be called for redemption prior to the stated maturity thereof, notice of redemption shall have been duly given or provision satisfactory to the Registrar shall have been made therefor, or waiver of such notice, satisfactory in form, shall have been filed with the Registrar.

At such time as a Bond shall no longer be outstanding hereunder, as provided, such Bond shall cease to draw interest from the due date thereof (whether such due date be by reason of maturity or upon redemption or prepayment or otherwise) and, except for the purposes of any such payment from such money or such Escrow Obligations, such Bond shall no longer be secured by or entitled to the benefits of this Ordinance.

Any such money so deposited with the Registrar for the Bonds as provided in this **Section 10.1** may at the direction of the Finance Director also be invested and reinvested in Escrow Obligations, maturing in

the amounts and times as hereinbefore set forth. All income from all Escrow Obligations in the hands of the Registrar which is not required for the payment of the Bonds and interest and premium thereon with respect to which such money shall have been so deposited, shall be paid to the City and deposited in the Special Fund as and when realized and collected for use and application as are other money deposited in that fund.

Notwithstanding any provision of this Ordinance or of ordinances, resolutions or proceedings supplemental hereto which may be contrary to the provisions of this **Section 10.1** or **Section 10.2**, all money or Escrow Obligations set aside and held in trust pursuant to the provisions of this **Section 10.1** and **Section 10.2** for the payment of Bonds (including interest and premium thereon, if any) shall be applied to and applied solely for the payment of the particular Bonds (including Redemption Price and interest) with respect to which such money and Escrow Obligations have been so set aside in trust.

Anything in this Ordinance to the contrary notwithstanding, if money or Escrow Obligations have been deposited or set aside with the Registrar pursuant to this **Section 10.1** for the payment of a specific Bond and such Bond shall not have in fact been actually paid in full, no amendment to the provisions of this **Section 10.1** shall be valid as to or binding upon the Owner of such Bond without the consent of such Owner.

The City may at any time surrender to the Registrar for cancellation by it any Bond previously executed and delivered which the City may have acquired in any manner whatsoever, and such Bonds upon such surrender for cancellation shall be deemed to have been paid and no longer outstanding hereunder.

Section 10.2. Certain Limitations After Due Date. If any Bond shall not be presented for payment when the principal thereof shall become due, whether at maturity or upon redemption or prepayment or otherwise, and if money or Escrow Obligations shall have been deposited in accordance with the terms hereof with the Registrar, in trust for that purpose sufficient and available to pay the principal or Redemption Price of such Bond, together with all interest due on such Bond to the due date thereof or to the date fixed for the redemption or prepayment thereof, all liability of the City for such payment shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Registrar to hold said money or such Escrow Obligations, without liability to the Owners for interest thereon, in trust for the benefit of the Owner of such Bond, who thereafter shall be restricted exclusively to said money or said Escrow Obligations for any claim for such payment of whatsoever nature on his part.

Notwithstanding the provisions of the preceding paragraph of this section, money or Escrow Obligations held by the Registrar in trust for the payment and discharge of any Bond which remains unclaimed for five years after the date on which such Bond shall have become due and payable, either at its stated maturity date or by call for earlier redemption, if such money were held by the Registrar or such paying agent at such date, or for five years after the date of deposit of such money, if deposited with the Registrar after the such date when such Bond became due and payable, shall, at the written request of the City be repaid by the Registrar to the City as the City's property and free from the trust created by this Ordinance, and the Registrar shall thereupon be released and discharged with respect thereto, and the Owner of the Bond payable from such money shall look only to the City for the payment of such Bond.
